Subject:	meeting with Roy Chestnutt

Mr. Prime Minister:

RP and I had a very good lunch meeting today with Roy Chestnutt of Verizon. David Cohen and Richard Clarke, both board members, joined us. We had a wide-ranging conversation that covered everything from Verizon's growth strategies to the innovative tech companies in Herzliya to the conflict with Hamas.

We spent a good bit of time talking about Ergo. Chestnutt seemed to understand our value proposition (Cohen and Clarke were very helpful in describing our offerings and generous in their praise). We provided him with a list of five possible projects Ergo could do for him. We'll keep in touch with him and will let you know if anything comes of it.

Thanks again for making this introduction. Hope your trip to Ghana was productive and looking forward to seeing you again soon.

Best,
Evan
